WHO WE ARE

North Liberty Christian School began in 1997. God planted in the hearts within the leadership of North Liberty Church of Christ a passion to provide faith-based education for North Liberty and the surrounding areas. What began with 8 students and 2 staff members has grown into classrooms filled with students and over 10 staff.

Throughout the past 25 years North Liberty Christian School students have heard the gospel truth. They have been taught by the areas top teachers, and have excelled academically. Our students have participated in service projects over the years that have blessed many people throughout the community. Not only are they hearing the Word of God daily, but are applying it to their lives as well.

North Liberty Christian School continues to grow. Each year enrollment increases and NLCS continues to guide our students to be a light in the world.

"You are the light of the world—like a city on a hilltop that cannot be hidden.
Matthew 5:14

ACHIEVE BOTH ACADEMIC AND SPIRITUAL EXCELLENCE

Scripture says Christians are called to a higher purpose in life. As Christian families we cannot sit idly by and accept good enough when we know more than ever, that the world counts on us to be shining examples with the highest expectations of character in our daily lives. 1 Corinthians 10:31 reminds us: *"Whether you eat or drink, or whatever you do, do all to the glory of God."*

At North Liberty Christian School, we take our responsibility of forming Christian identities as seriously as we do academics.

Our students are challenged to achieve both spiritual and academic excellence. It is up to you raise the next generation of Christians who will lead our families, communities, and world as instruments of God. These efforts start today with a religious curriculum that puts Christ at the center of all we do.

**"Train up a child in the way he
should go,
Even when he grows older he will
not abandon it."
Proverbs 22:6**

100% HIGH SCHOOL GRADUATION RATE

Our alumni are leaders in their families and our community in and out of school. We make sure they go on to do great things as torchbearers for the light of Christ.

WE DEVELOP ACADEMICALLY PREPARED LEADERS FOR CHRIST

Our strong academic curriculum is rooted in daily prayer and weekly chapel. We use only evidence-based techniques in all subjects and subscribe to *Purposeful Design* mathematics, *Abeka* and *MosDos* reading, as well as BJU for English.
